

Gallery Walk Focus Questions

As you view your classmates' visual representations of Book 1 of *Beloved*, record your observations for each of the posters on the following questions:

1. What images are central to each group's representation of Book 1?
2. What method of organization has each group used?
3. How does each group's representation compare to your own? Consider elements that your group included that the groups did not, and vice versa.
4. What questions would you like to ask the groups during the presentations?
